

DOMAINE JEAN BAPTISTE SENAT

LE BOIS DES MERVEILLES 2024

The name Le Bois des Merveilles (woods of wonder) is inspired by the forest at the edge of our vines in the beautiful Trausse garrigue. Kids call it that way with hope of finding a treasure there.

It is though a treasure for us by its very specific soil which creates depth in this cuvée, true finesse, but still remains powerful. An amazing blend for fine wine enthusiast.
